Dear Sir or Madam,

Otter Tail Power Company respectfully submits the enclosed response to the January 15, 2019 petition of Casey and Julie Voigt requesting that the Administrator object to the North Dakota Department of Health's issuance of a proposed title V operating permit renewal for the Coyote Station power plant. A hard copy is also being sent to EPA via overnight mail. If you have any questions about this response, please do not hesitate to contact Makram Jaber (202-955-1567 or mjaber@HuntonAK.com) or Andrew Knudsen (202-955-1640 or aknudsen@HuntonAK.com).

Respectfully,

Andrew Knudsen
